

Harvest of Quilts

The Flying Geese Quilt Guild of Harford County will hold its biennial quilt show *October 21-22, 2006* at The Harford Technical High School. In 2004, we had nearly 300 quilts, made by our members, on display. We also had over 80 other member-made quilted items sold at a silent auction. Over 600 people attended this event.

Everyone who attends the show receives a booklet describing the quilts and other events. We are selling ads and patrons in this book to defray some of our expenses.

Ads The cost for these ads is as follows:

Outside back cover	\$125*
Inside front or back cover	\$100*
Full page ad (8.5 x 5.5")	\$ 75
One-half page ad	\$ 40
